ESSENTIAL/EVENT DRIVEN FUNCTIONSMaintenance and Trades/Skilled Crafts

This form is a dual use form. It is not intended to screen out applicants. May be used after conditional offer has been made or during employment.

- **X** Essential Duties that are fundamental to the position based on the function and the results to be achieved, rather than the manner in which they are being performed. Duties that are directly related to the reason the position exists and that cannot be reassigned without changing the nature of the position. Considered by Occupational Exposure Control (OEC) as a Category I duty due to the **frequency** of performance.
- **X** Event Driven Duties which may be performed in an emergency, or on an infrequent or occasional basis; but when performed these duties are necessary to the position and critical to the safety and security of staff, offenders and/or the public. Considered by OEC as a Category II duty due to the **infrequency** of performance.
